THE PROPERTY

947–953 11TH ST

The Appel Group is proud to present the exclusive listing of 947-953 11th St, the Voss Apartments a generationally rare multifamily asset in the heart of Santa Monica's coveted Wilshire/ Montana neighborhood. Built in 1937 and preserved as Streamline Moderne architecture, this 15-unit trophy property represents the kind of asset that trades once and can disappear from the market for decades. Set across four buildings and two parcels on a 15,016-square-foot lot, the Voss Apartments combines architectural distinction, meaningful scale, exceptional parking, and an irreplaceable coastal location in a market where new supply is inherently constrained.

The property features 11,850 square feet of bright living space comprising a two-bedroom, two-bathroom, townhouse with its own private yard, four two-bedroom, one-bathroom residences, six one-bedroom, one-bathroom units, and four studios. Select residences feature private patios or balconies, while the grounds offer manicured landscaping and a sunny central courtyard with butterflies in the spring and summer. Nine garage parking spaces, an on-site laundry room, and one garage space currently being used as a generous size storage area, set around nicely manicured grounds and a sunny courtyard.

Architecturally, the Voss Apartments captures the defining language of the Streamline Moderne era, with horizontal massing, smooth stucco façades, rounded forms, and streamlined detailing. Its 1937 vintage is more than a design attribute; it is a source of scarcity and potential ownership advantage. Qualified new ownership may be eligible for meaningful property tax benefits under California's Mills Act in exchange for preserving the property's historic character.

The location is equally compelling. Ideally situated just two blocks from both Montana Avenue and Wilshire Boulevard, the property offers immediate access to two of Santa Monica's most desirable dining and retail corridors. Montana Avenue is home to Locanda Portofino, Father's Office, Whole Foods Market, and an array of boutique shops, while Wilshire Boulevard features neighborhood favorites including El Cholo, Santa Monica Seafood Market & Café, Petit Grain Boulangerie, and Diner Antonette.

Santa Monica's geography further protects the long-term scarcity of an asset like 947-953 11th St. Bordered by the Pacific Ocean to the west and the Santa Monica Mountains to the north and east, the city has limited capacity for meaningful new residential supply in its most desirable neighborhoods. Against that backdrop, an intact 1937 multifamily property of this scale, character, parking, and location becomes increasingly difficult to replicate.

For an investor seeking a feather in their cap in one of Southern California's most coveted coastal markets, 947-953 11th St stands in a category of its own a distinctive piece of Santa Monica architectural history, an established income-producing asset with meaningful rental upside, and the type of irreplaceable property that can remain in an ownership portfolio for generations.

INVESTMENT HIGHLIGHTS

- **Scale of the Asset** – 15 residences set within four buildings spanning across two spacious lots. The unit layouts are comprised of one two-bedroom, two-bathroom townhouse, four two-bedroom, one-bathroom units, six one-bedroom, one-bathroom residences, and four studio units.
- **Distinctive Architecture** – A 1937 Streamline Moderne-style property featuring the era's hallmark horizontal massing, smooth stucco facades, and rounded, streamlined detailing. With select units having patio, balconies, and garages.
- **Building Amenities** – Nine garage parking spaces, an on-site laundry room, and one garage space currently being used as a generous size storage area, set around nicely manicured grounds and a sunny courtyard.
- **Existing Mills Act** – This historic property has an existing recorded mills act designation. New ownership can benefit from the tax benefits, which incentivize continued preservation of the property's historic architecture. Current property taxes are approximately \$36,000.
- **Premier Wilshire/Montana Location** – Ideally situated just two blocks from both Montana Avenue and Wilshire Boulevard, the property offers immediate access to two of Santa Monica's most desirable dining and retail corridors. Montana Avenue is home to Locanda Portofino, Father's Office, Whole Foods Market, and an array of boutique shops, while Wilshire Boulevard features neighborhood favorites including El Cholo, Santa Monica Seafood Market & Café, Petit Grain Boulangerie, and Diner Antonette.
